“ I am so Albert sorry for Aaron’s death and deeply saddened by this news. I only knew for 3-4momrha while we were at ERC together in Denver and he made a very deep impression on my spirit as well as deeply touched many others. His loving kindness, gentleness, affection and compassion for all and deep intellect were remarkable. I so enjoyed our conversations about life and faith and history as we watched the warriors together and I found a renewed love for basketball in Aaron’s presence. May he Rest In Peace and May his own love and kindness continue to reverberate in our lives
